PREMIER 'GOAL':

PREMIER soccer camp offers the soccer athlete the opportunity to take the time to focus on individual skill and technique. Spend each day getting more comfortable with the ball at your feet. Your confidence will improve with every touch on the ball during the first week as that carries over to the team tactical training week. Tactical training helps the player to understand each position and how to move around the field during offensive or defensive transitioning. Bring it all together and show it off to the experts. Join the Rhinos for tips, advice, and helpful instruction to get you to the next level in our last week of camp! With tickets to the game, a camp t-shirt, a soccer bag give away, lunch daily and recess activities, PREMIER soccer camp will be a fun way to improve soccer ability! Run. Dribble. Score!

QUALITY INSTRUCTION:

- Learn the moves from experienced players and coaches.
- Each child will work with a variety of staff including
College Players / College Coaches / Camp Coaches
Nationally Certified Athletic Performance Trainers.
- Spend the time with A-League professionals to pick up tips, advice and instruction (*during the last week only!*)
